Dear Mr. Patton:

Thank you for your letter of April 11, 2005 concerning a large, covered, and lighted skateboard park under the Washington-Jefferson Bridge.

I have a lot of experience with skateboard parks. My son Erik, now 19, was an avid skateboarder and I took him to skateboard parks in Portland, Bend, and many other places around Oregon. We got on the internet and went to the Petaluma, California area, which has an excellent skateboard park. Erik no longer skateboards, as he's a college athlete, but it was a great experience for him and his friends.

I'm with you. Let's make this happen!

Very truly yours,

Pete Sorenson
