

City Center Skatepark

PLANNING WORKSHOP #2

Tuesday, February 3, 2009

6:00 to 7:30 p.m.

Campbell Center, 155 High Street

Join us

for the second in a series of workshops to

discuss planning and design of a **new, regional-scale covered skatepark under the I-105 Bridge in Washington/Jefferson Park.** We will present the concept

location plan and results of the first workshop then discuss next steps in the project including general park design revisions, project goals, timeline, design process, fundraising plan, and volunteer opportunities.

There will be plenty of time for Q&A, so come share your thoughts and creative ideas.
